

BRT STUD CONTRACT

1. Breeding Terms:

- a. Bitch must have a current brucellosis test prior to breeding.**
- b. Bitch must have been kept inaccessible to other males prior to, during, and after breeding until heat cycle is complete.**

2. Disposition of Puppies:

- a. We recommend all pet puppies be sold on spay/neuter contracts and AKC papers should be issued as limited registration.**
- b. Puppies from this breeding will not be sold to pet stores, dog brokers or known or suspected puppy mills.**
- c. We recommend Bitch owner screen all prospective owners to ensure proper puppy placement.**
- d. We recommend all show puppies be sold on contract which should stipulate they will not be used for breeding purposes until their Championship is obtained.**

3. Stud Fee:

- a. Owner of bitch agrees to pay a stud fee, at the time of mating, equivalent to the price of a *pet puppy, or**
- b. Owner of sire will take **pick of the litter puppy on or after 8 weeks of age.**

4. Guarantee:

- a. Stud owner guarantees a live litter from this breeding. A live litter is defined, for the purposes of this agreement, as two or more live puppies at the time of birth.**
- b. If less than two live puppies result from this breeding then Joshua Ried and Donna L. Renton guarantee to take their pick puppy from a return breeding or;**
- c. In the case where a stud fee has already been paid, Joshua Ried and Donna L. Renton agree to a return breeding without charge.**
- d. All expenses associated with the bitch will be the responsibility of the bitch owner, i.e., veterinarian expenses, shipping expenses, etc.**
- e. Stud owner agrees to sign appropriate litter registration application only after the stud fee is paid or a **pick puppy has been taken.**

Note: *Stud fees for any of our males that are rated in the top in the National standings or are Best in Show Winners will command a higher stud fee.

We, Joshua Ried and Donna L. Renton, declare that we bred my/our Stud dog
